**Frank Cannon** became a part of Christ Church in the early 2000s and continues to generously support ministry as we seek to engage with and support our surrounding community.

**How did Christ Church become your congregation?**

We were unhappy with our previous church. We felt it was heading in a direction that was not inclusive and we wanted a fresh start somewhere else.

**When Christ Church comes to mind, who is/are the first person(s) that pop into your mind?**

That would be my late wife, Cindy. She was the driving force of me being more involved in a church. I did not come from a strong church background. I also think of Pastor Zeiser, he was the Pastor we met with before joining Christ Church and we were impressed with the welcoming atmosphere. This was before he was elected Bishop.

**If someone asked you about your church, what would you tell them or how would you invite them?**

I would tell them that this is a church that is making a difference in the lives of people in center city Allentown.

**Why do you find it important to support Christ Church with time and generosity?**

I believe that Christ Church is trying to better the lives of people in downtown Allentown. My late wife was involved in the afterschool program for many years. She was looking forward to be able to spend more time with it once she retired. Obviously, many things changed since early 2020 but I do believe the church is supporting many programs to help people and I think that is worth supporting.
